# relaxn<sup>®</sup> **Mako Series LED Work Light**

**NEW**

The New Relaxn Mako Series LED Work Light outshines it's competition with 3200 lumens of lighting power!

Powered by 4 next gen Osram 10 watt LED chips with 94% reflector efficiency you will be hard pressed to find a brighter work light that runs as efficient as this one. Die cast aluminium housing featuring a large heat sink with a military style patented breather, GE Lexan lens and all stainless steel hardware the Mako Series LED Work Light is built tough for work in harsh environments.

#### **Aluminium Housing**

Die cast aluminium housing coated in durable UV polyester powder coating.

#### **Next Gen LED's**

4 High powered Osram 10 watt LED's with a 94% reflector efficiency.

#### **Pre-wired For ease**

Wired with DT04-2P socket.

#### **Universal Mounting Angles**

Over 100° range of movement once mounted.

#### **Built Tough**

Operation temperatures: -40°C- +60°C.

#### **Ingress Protection Rating**

Tested rating of IP68 & IP69k.

#### **Rugged Lens**

Fitted with a GE Lexan lens.

#### **Hardware Included**

Stainless steel mounting hardware included.

#### **Certified**

ROHS and CE.
